# How To : Connect To Your G@meGe@r™ Team Dashboard

From 1 June 2018 @0900hrs to 3 June 2018 @0900 hrs only, you can access your G@meGe@r™ Team Dashboard to take part in the Online Qualifier. Follow these steps to do so :

1. Open up your Chrome or Firefox web-browser and enter the following URL into your browser's address field : **http://gamegear.securitystartshere.org** , as illustrated in the following screenshot:
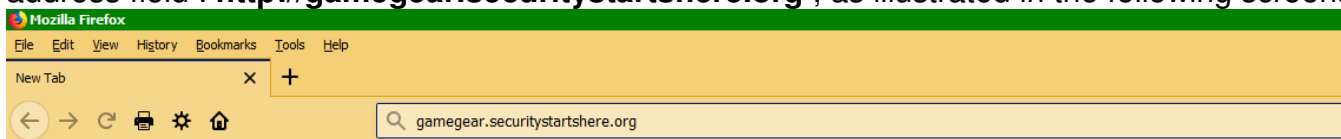

(note : if http://gamegear.securitystartshere.org DNS resolution doesn't work, you can also use **http://gamegear.securitystartshere.net** as well)
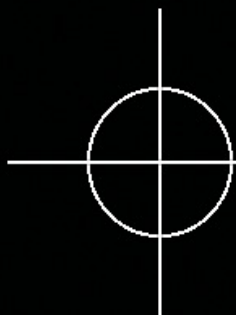

2. This should bring you to the webpage where you can enter your team's login credentials. Click on the red Google login button, as illustrated in the following screenshot :
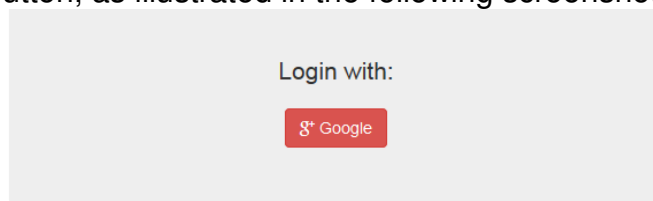

3. Enter your team's Gmail login credentials, as illustrated in the following screenshot :

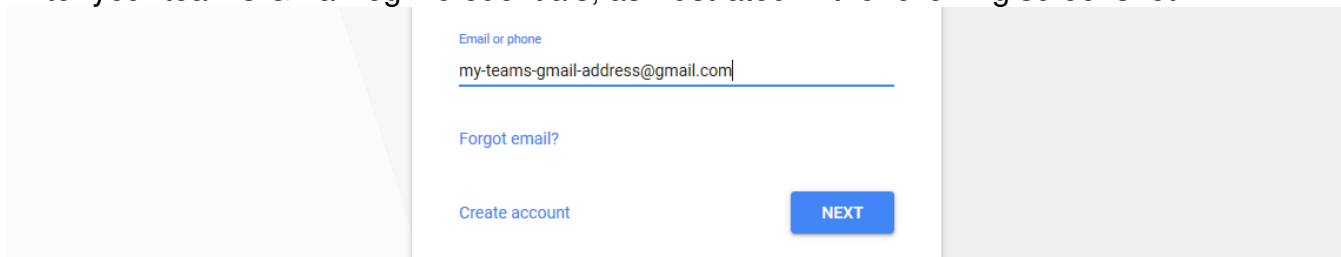

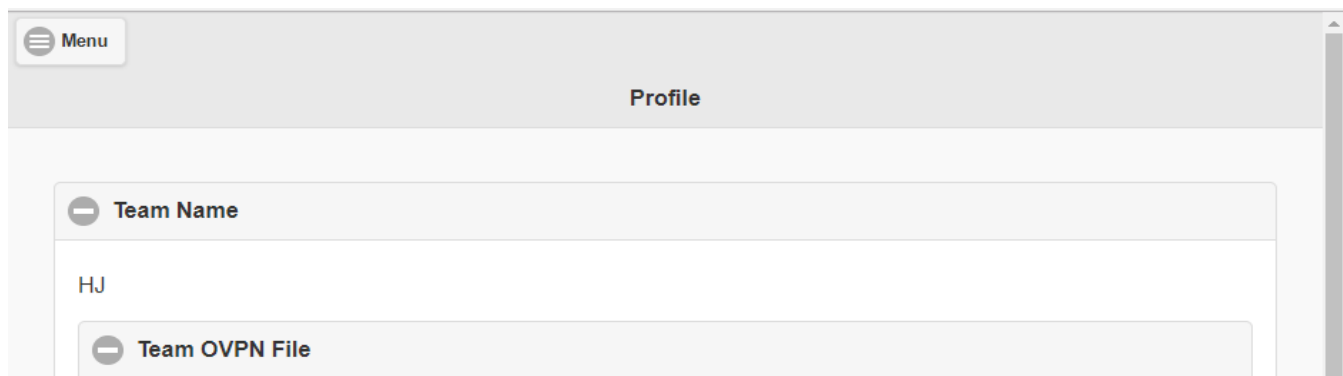

4. After you successfully login, you will see a display similar to that illustrated in the following screenshot :
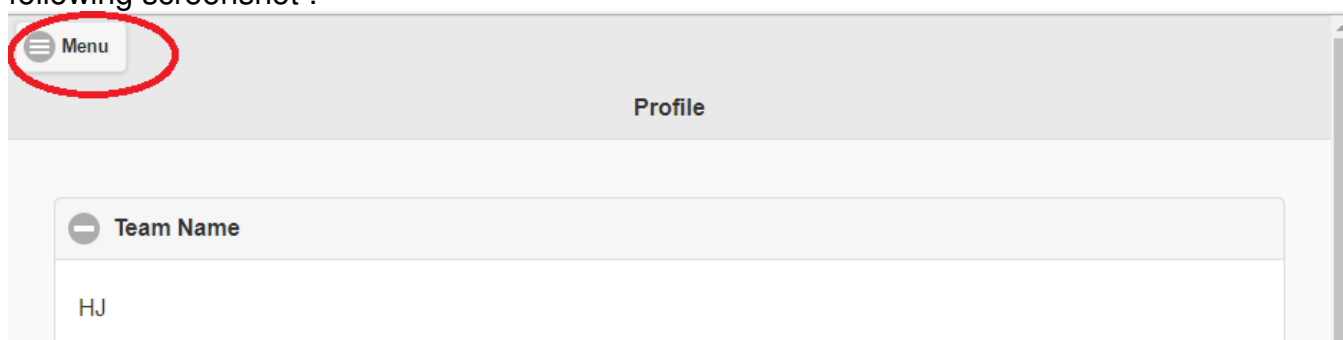

5.   Next, click on the Menu button at the top left corner of your team dashboard, as illustrated in the following screenshot :

6.   You will now see the Documentation section appear to the left of your screen. Click on the menu entry or its arrow icon to display all the information under this section, as illustrated in the following screenshot :

Now, click on every link you can see under this Documentation section to (i) read all the respective documentation and (ii) get / read all files necessary for using the G@meGe@r™ system to
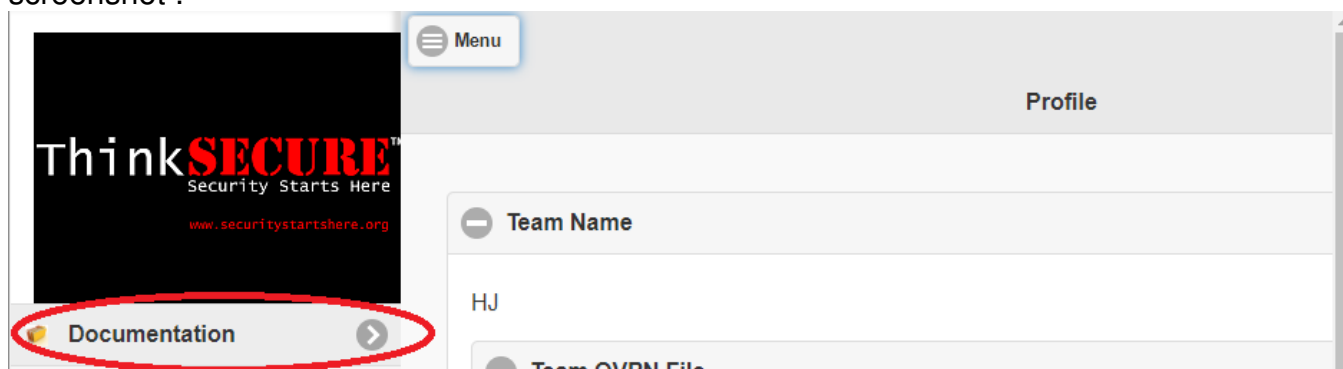

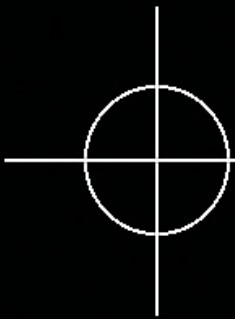

THINKSECURE PTE LTD

connect to the Online Qualifier Environment.

In particular, please take note that, like any exam, the Online Qualifier is a test of your own skill and knowledge so you will have to prepare and use your own resources, hardware, operating systems, software, images and tools in advance <u>before</u> you connect to the Online Qualifier Environment on 1 June 2018.

More information regarding the Online Qualifier is available at the other document "HOWTO-Connect-To-Tournament-Stage1-Environment.pdf" from the same place where you got this document.
